Strategy Notes for RFGA Development

February 20, 2009

Note: Strategies highlighted in yellow are phase one, family support.

Strategy	Funding Level	Key Considerations/Questions for RFGA Development	Notes
#1) Culturally Relevant Parent Education Curriculum.	$71,000.00	Is the curriculum intended for existing parent education programs to use to in their service delivery or will it go directly to the parents? How will this project sustain itself? What are we trying to give parents through this curriculum? Awareness? Culture? Tools? All? How do you see this curriculum being implemented? Will it me mandatory or self selected? Who do you see applying to undertake this project? Tribal department? Consultant?	
#2) Early Childhood Development and Health Collaborative	$0		

3#) Health Intervention: Implementation of interventions targeting nutrition, healthy weight and physical exercise into existing community services for children 0 to 5.	$63,000.00	Target Population: Does the Council envision that this program will cover all children under five or should the physical activity piece be specific to school age children 3-5? What type of outfit do you envision will apply for this funding? Is it a non-profit, consultant, tribal organization, etc.? What is the desired outcome? Better eating habits and increased physical activity? Or better physical condition for participants?	
#4) Increase Early Childhood Development and Health Awareness through a Communications Campaign; also to serve a Career Recruitment Campaign.	$11,000.00		
#5) Establish a Salary Incentive Program for Early Care and Education Staff.	$10,000.00		
#6) Deliver Mobile Play-Based Screening and Intervention Activities	$153,000.00	Target Population: Does the Council envision that this program will provide services at schools or is it intended to be more a home visitation screening service? What type of outfit do you envision will apply for this funding? Is it a non-profit, consultant, tribal organization, etc.? What is the desired outcome? More kids in referred for	

		additional services or parent education?	
#7) Purchase 100 Parent Kits for integration into existing parent support programs.	$5,500.00	What type of outfit do you envision will apply for this funding? Is it a non-profit, consultant, tribal organization, etc.? Current parent education programs? Consultant? Early Childhood Collaborative?	

General Information:

Tribes have the ability to administer grants in two ways:

- Government to government agreements—Tribe will serve as recipient of all funds and decide which program will provide the service.
- Tribes can put open up strategies to the RFGA process.
