AGENDA ITEM: Statewide and Signature Strategies Report
Federal Grants and Activities Update

BACKGROUND: The Statewide and Signature Strategies Report provides updated financial information through January 4, 2012, and program performance information for FY12 Quarter 1 for strategies funded through statewide program funds, and other strategies and programs developed or substantially supported by First Things First.

The Federal Grant and Activities Report provides an updated summary of grant awards, expenditures and progress for grants awarded to First Things First, grants that include First Things First in a partnership role, and potential grant opportunities.

RECOMMENDATION: The CEO recommends approval of these reports.
