

If We:	We Create:	Resulting In:	Achieving:
<b>Develop and fund</b> high quality services for children and families that are necessary but not yet available	Coordinated, high-quality service system for young children	<b>Early Learning</b> All children have access to high quality, culturally responsive early care & education.	All Arizona’s children are ready to succeed in school and in life.
<b>Strengthen</b> already existing high quality services for children		<b>Family Support/Literacy</b> All families have the information, services & supports they need to help children achieve their fullest potential.	
<b>Partner</b> to build a system of early childhood services and information for families		<b>Early Childhood Professional Development</b> All child care/education & health professionals are well prepared, highly skilled and compensated commensurate with their education & experience.	
<b>Lead</b> through the synergy of statewide and local strategic planning	Leadership capacity and infrastructure to create and sustain the high-quality service system	<b>Health</b> All children have access to high quality preventive & continuous health care to promote physical, mental, oral and nutritional health.	
<b>Harness</b> data and technology to build infrastructure and support data-based decision making and accountability		<b>Early Childhood System</b> The early childhood system is high quality, child & family centered, coordinated, integrated & comprehensive.	
<b>Shift</b> the brand and awareness of early childhood in Arizona		<b>Public Awareness</b> All Arizonans understand the importance of the early years & recognize the influence of early childhood development, health & education on Arizona’s economy & quality of life and, as a result, substantially support early childhood development, health, and education both politically and financially.
