AGENDA ITEM: FY2014 Expansion Strategy Funding Mechanism and Scope of Work

BACKGROUND: Funding mechanisms for agreements include: Request for Grant Applications (RFGA) leading to a grant award, Grant Agreement/ Government to Government Agreement, and Procurement. According to ARS 41-2503, "Procurement means buying, purchasing, renting, leasing or otherwise acquiring any materials, service or construction."

The Hualapai Tribe Regional Partnership Council's Expansion strategy, upon approval by the State Board of the Fiscal Year 2014 funding allotment, will require a new agreement.

RECOMMENDATION: The Regional Director recommends utilizing the Government to Government Agreement Process for funding by developing an agreement with the Hualapai Indian Tribe.
