Michele Walsh, PhD

For Hualapai Regional Partnership Council
Meeting

Peach Springs, AZ
August 10, 2011

John & Doris Norton School of Family & Consumer Sciences

Arizona's First University.

Purpose of this Presentation

- To introduce The UA Norton School of Family & Consumer Sciences Project Team
- To briefly summarize the Scope of Work for the FTF 2012 Needs and Assets Assessment (Base Report)
- To better understand the specific informational needs and priorities of the Hualapai Regional Partnership Council

FTF Needs and Assets Reports Scope of Work

- Reports are to provide a snapshot of
 - the characteristics of the region's children under six and their families
 - the assets available to children and families
 - the unmet needs of these children and families
- Examine six goal areas primarily thru the collection and analysis of available data
 - 1) quality and access to early care and education
 - 2) health
 - 3) professional development of early care teachers and workers
 - 4) family support
 - 5) public information on awareness of early childhood issues
 - 6) coordination among early childhood programs and services

Goal

- To understand and convey the particular character of the Hualapai Region and its families and children
- To identify community needs and to recognize and document the considerable strengths of the Hualapai community that can be leveraged to meet those needs
- To identify, in partnership with the Hualapai Regional Council, relevant and “actionable” recommendations based on the information gained

Review of Report Data Elements, Discuss Priorities of Hualapai Regional Council
