

Mohave Valley Elementary Preschool Program

Program Statistics

- ▶ Currently serves 75 students, ages 2.9 through five years old (year before kindergarten)
- ▶ Three classrooms
- ▶ Students qualify for the program by either having special education needs or being considered “at risk” by family income levels

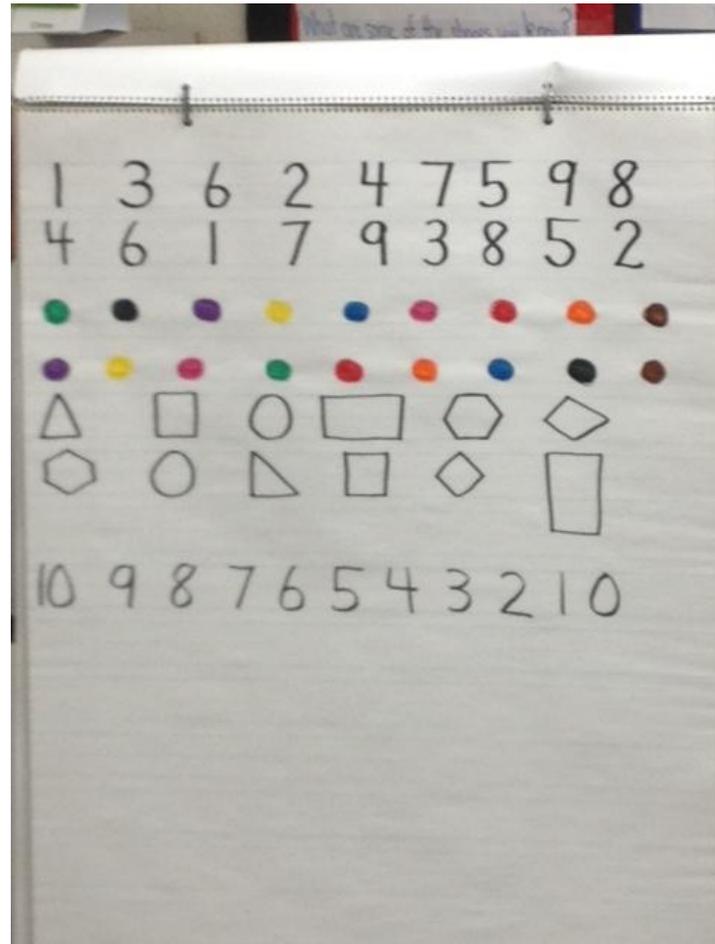

Program Curriculum

- ▶ Research-based, literacy rich program developed by participation with the Mohave Desert Early Literacy Collation in conjunction with an Early Reading First Grant
- ▶ Introduction of math curriculum this year

Program Curriculum

Program Structure

- ▶ All students report to school at 7:45am, with breakfast available
- ▶ Students participate in class until 11:30am each day.
- ▶ All students go to lunch at 11:30.
- ▶ After lunch, all non-kinder bound students go home, while the remaining kinder bound students stay for intensive small group instruction and remediation.

Program Structure

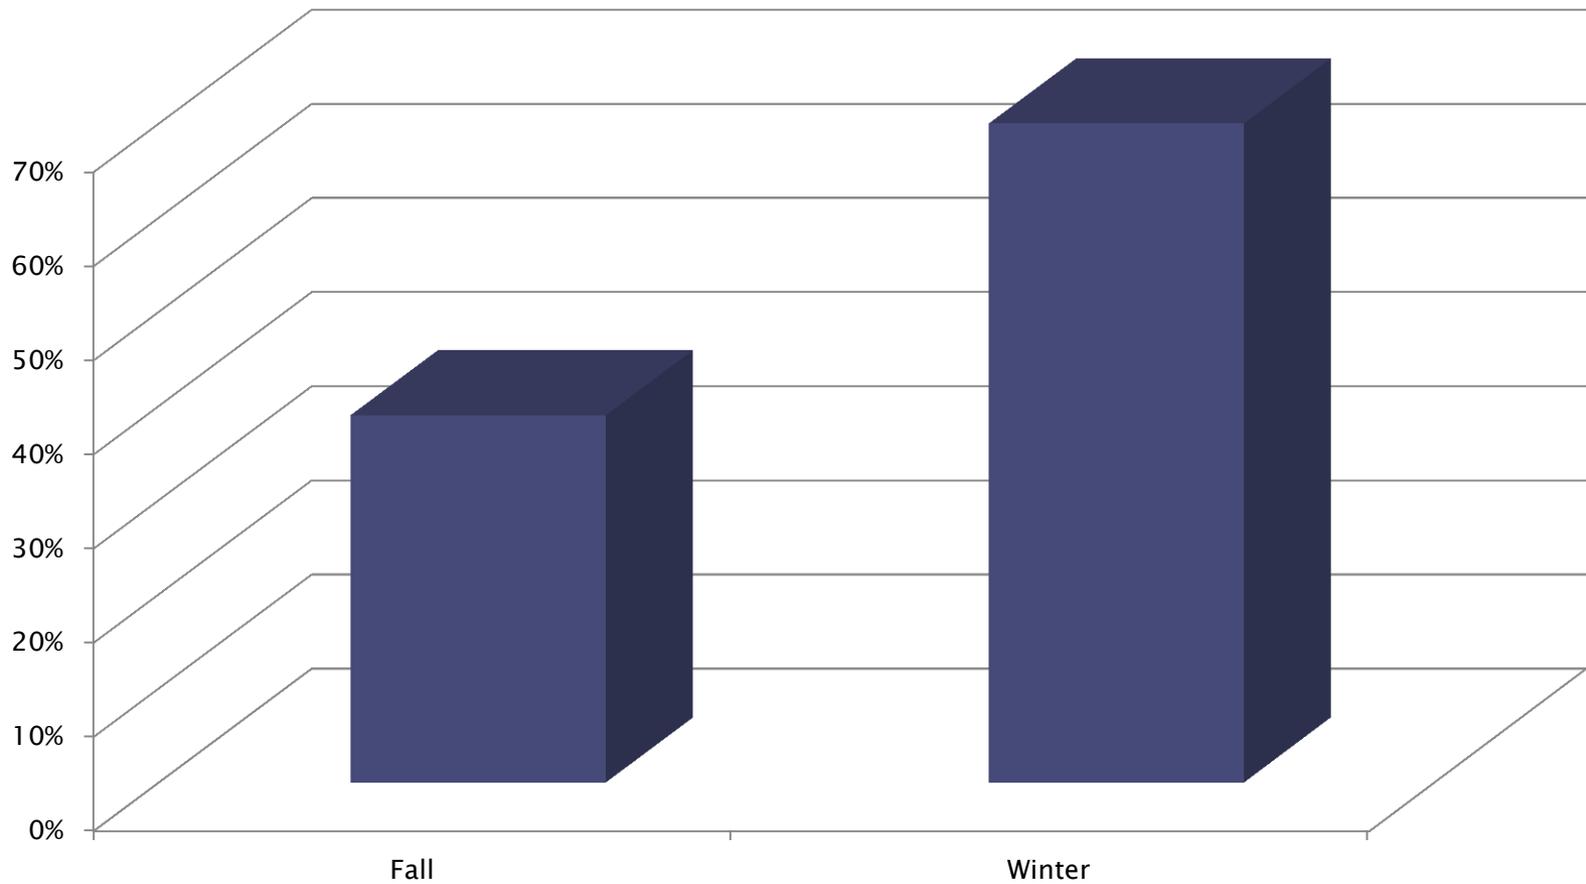

- ▶ Kinder Camp: Kinder bound students participate in a four week summer program preparing them for the rigor of kindergarten

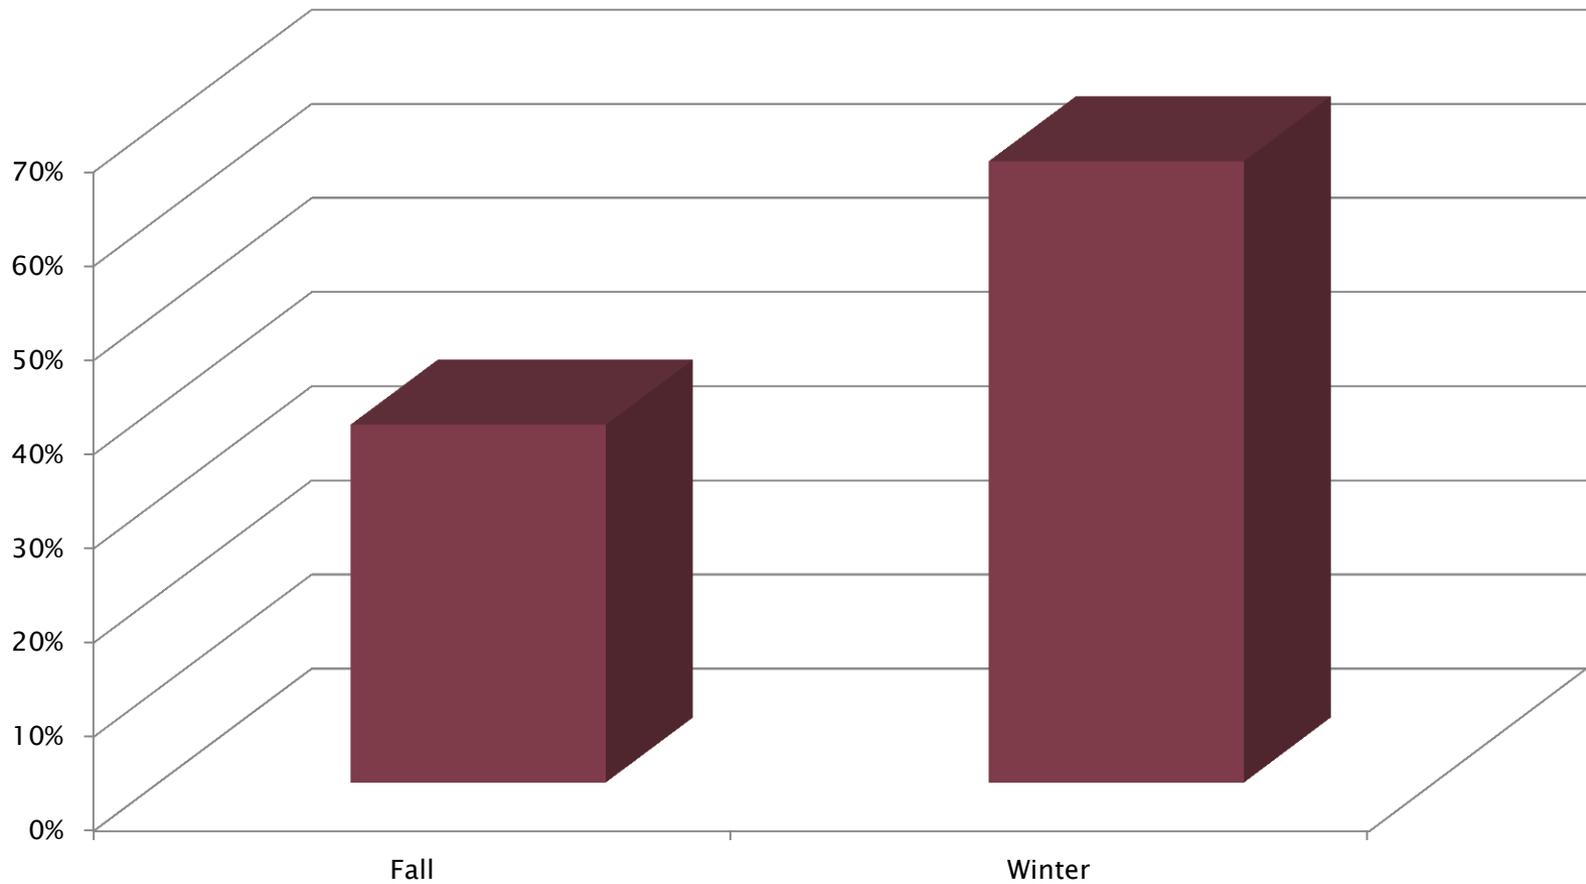

Program Outcomes

- ▶ Increase pre to post in letter identification, receptive language, and expressive language
 - ▶ Better prepared students in kindergarten as measured by initial DIBELS placement
 - ▶ Increased teacher effectiveness through systematic professional development activities
-
