Implementation

This component focuses on the steps that must be taken to put the strategy(ies) into action. It should include all the elements that will be required to operationalize the program.

Applicants must address Implementation Activities and Budget by completing the following questions:

Implementation Activities (30%)

12. Sequentially list the activities needed to operationalize the program for each Component, including timelines and responsibilities using the Implementation Plan (Attachment D). Any narrative necessary to describe the Implementation Plan should be included with Question *Note: Applicants will submit an Implementation Plan for January 1, 2012-June 30, 2012 and an Implementation Plan for July 1, 2012-June 30, 2013.
13. For each Component the Applicant applies for, describe any anticipated barriers to implementation including compliance with the applicable Standards of Practice and your plans to overcome those barriers.

14. Describe any additional coordination and collaboration activities that will occur as part of the implementation of the proposed program. What agencies, organizations or partners, including other Central Pima FTF funded partners, would be involved in coordination and collaboration activities? Any coordination and collaboration activities should be identified in your implementation plan (Attachment D) and should also align with the Coordination Standard of Practice-Community Partnerships (see Exhibit A).
15. How does the proposed work impact coordination/community partnerships while simultaneously building upon the early childhood education and health continuum in the Central Pima region?

If the Applicant is applying for more than one Component, please explain if and how the Components will be coordinated and implemented in conjunction with each other.

AMENDMENT INFORMATION

Under Implementation Activities, questions numbered 12 through 14 remain the same. The only change impacted in this amendment is question 15.

Should Read Implementation

This component focuses on the steps that must be taken to put the strategy(ies) into action. It should include all the elements that will be required to operationalize the program.

Applicants must address Implementation Activities and Budget by completing the following questions:

Implementation Activities (30%)

15. How does the proposed work impact coordination/community partnerships while simultaneously building upon the early childhood education and health continuum in the Central Pima region?

If the Applicant is applying for more than one Component, please explain if and how the Components will be coordinated and implemented in conjunction with each other. In addition, if the Applicant is applying for more than one component, an Implementation Plan should be submitted for each of the components (one, two or three) to which the Applicant is applying.
