

1-109 Communications To or From the Board

Communications from the Board to members of the legislature, the press and the public should, whenever possible, be transmitted by and through the Chairperson of the Board. Inquiries in regard to matters upon which the Board has taken, or probably will take a position, should be referred to the Chairperson.

There will be cases when an individual member of the Board will feel obligated to answer inquiries. In these cases, the member of the Board expressing an opinion as to matters upon which the Board has taken a position should support the position taken by the Board or make it perfectly clear that he or she is expressing an opinion which has not been approved by the Board.
