AGENDA ITEM: Quality First Update on Estimated Ratings for Enrolled Providers, Providers on the Wait List, and Age Ranges of Enrolled Children

BACKGROUND: The attached documents provide an updated report of Quality First data, including enrollment data and estimated quality ratings on 759 providers.

All Quality First Ratings are based on three measures: (1) ERS- Environmental Rating Scales (ECERS, ITERS, and FCCERS); (2) Classroom Assessment Scoring System – C LASS (Domains: Emotional Support, Instructional Support, and Classroom Organization); and (3) QF Point Scale that measures Staff Qualifications, Administrative Practices, and Curriculum and Child Assessment. Since many providers are in the process of completing one or more of the three assessments, Quality First rating information for all providers is currently labeled as an *estimated Quality First Rating*.

A comparison of current data with the last reports in September 2012 shows:

September 2012	November 2012	% Change
