

# OUR COMMUNITY YOUR LEADERSHIP THEIR FUTURE

90% of a child's brain develops before they enter kindergarten, and a child's early experiences lay the foundation for success in school and in life. That's why First Things First partners with parents and communities across Arizona to give kids the tools they need to arrive at school healthy and ready to succeed.

You can make a difference in the lives of young children in your community by volunteering to serve on a First Things First regional partnership council.

As a regional council member, you can directly impact the education, family support and health programs available to help prepare kids 5 and younger for success in kindergarten and beyond.

Be a voice for kids in your community.
