Dear Regional Council Members—

I hope this email finds you well and enjoying your spring! I have attached for your review our draft updates to Quality First. These updates would take effect July 1, 2014 (the beginning of FY15). The model updates are being proposed as a result of the data we are analyzing and staff, stakeholder and provider feedback. I urge you to review these draft recommendations. You can provide input, suggestions and comments through May 17, 2013 to QFupdates@azftf.gov. We will present the updates to the state board at the June board meeting.

There are two documents attached—one outlines the full set of revisions, the second is a PowerPoint overview.

I will be hosting two webinars to further describe the proposed updates. These webinars will provide you with an additional opportunity to give feedback on the draft document. You will be receiving a separate email with an invitation to the webinars but in the meantime, please hold the date (both webinars will have the same content):

Thursday, April 25th 10:30-noon

Friday, May 10th 9:30-11:00 a.m.

We look forward to your feedback.

Best,

Rhian
